is for sale. Mr. Elliott and family are to vacate it May 1st, and it is larger than we can occupy to advantage. It is by far the best home in this city and it is hard to duplicate (everything considered) in the United States for the money it costs. The site is superb. It embraces ten full city lots 4 by 8 rods. The house and barn are every way right. It is worthy the attention of any one seeking a first class home. As we before said, we will sell it and will give possession May 1st.

We have an architect working on plans for a smaller but equally good house, to be built for ourselves directly opposite "River-view", and if we can sell this we shall have it built to occupy by July 15th.

This is an unusually attractive opportunity. Come and see us

Our Home Journal

"The Home" has been a source of much pleasure to us and that it has not been of much profit in way of money, cuts no figure. But owing to the fact that we are driven in our other lines of work and that we are to lose the editorial assistance of Mr. Elliott, we have concluded to abandon the publication of the same. Friends who have paid for 1891 can have their quarter by calling at our office. Thanking our readers and promising that they shall hear from us frequently in some form, we are

EIGHT WERE DROWNED

Ocean Disaster Near Cape Henry, Virginia.

A NORWEGIAN VESSEL IS WRECKED.

Despite the Herculean Efforts of Brave Life-Savers Six Sailors and the Captain's Wife and Child Are Drowned.

GONE TO THE BOTTOM.

NORFOLK, Va., March 28.—The Norwegian bark Dictator, from Pensacola, Fla., to West Hartlepool, Eng., laden with pine lumber, with a crew of fifteen and the captain's young wife and little boy of 3 years came ashore in a strong easterly gale Friday morning, four miles south of Cape Henry and two miles north of Virginia Beach hotel. Full crews from two life-saving stations were promptly on hand and began firing lines to the ill-fated bark. The guns could not deliver the lines so far, though they were repeatedly fired. The ship finally succeeded in getting a line ashore tied to a barrel, which the surf carried to the life-savers. The breeches buoy was quickly rigged and sent to the vessel, but unfortunately the bark's crew was ignorant of its use, and the rescue was delayed until Capt. Drinkwater, of the life-saving station, wrote instructions, put them in a bottle and sent it to the Dictator by the line connecting the vessel with the shore. The first man was delivered ashore in eight minutes and seven others were rescued before sunset. During the entire day the ship rolled and pitched terribly and made the work of rescuing the unhappy sailors exceedingly difficult. At nightfall there were still nine persons on the bark and among the number the captain's wife and little child. The captain had urged his wife all during the day to take the buoy and come ashore, but she steadily refused, as she would not leave her husband and child, and only one could take the buoy at a time. The bark went to pieces Friday night and the seven that remained on her have been lost, including the wife of the captain, the captain, just before the ship went to pieces, sprang into the sea with his son strapped to his back and reached the shore alive, but the boy was lost, making a total loss of eight lives. The Dictator was trying to make Hampton roads, having been disabled by hurricanes since the 12th inst. All that could be gathered from the half-dead sailors as to the cause of the stranding of the vessel was that they did not know where they were, the sun not having been seen for four days and the weather so thick that they struck the breakers before they could see the coast. The life-savers worked all day with great heroism. The apparently slow progress of the work of rescue is due to the fact that a lifeboat could not live in the surf.

STOLE HIS LAST CHICKEN.

A Poultry Thief Loses His Life in the Effort to Fill His Sacks.

KANSAS CITY, Mo., March 28.—For a number of weeks farmers in the vicinity of Rosedale have been considerably troubled with chicken thieves. The farmers set trap-guns so aimed that anyone entering the poultry house would discharge and receive the contents of the gun. Thursday night an unknown man attempted to enter the poultry house of S. S. Hogue, half a mile of Rosedale, and fell a victim of these deadly machines. The whole of his left side was blown away. He had in his possession two large coffee sacks, keys to all kinds of padlocks and in short all the tools of a professional. His body has not been identified.

Finished Their Terms.

CHICAGO, March 28.—President Gage and the world's fair board of directors have completed the term of office for which they were elected. In his valedictory address President Gage reviewed the work accomplished by the board, gave a synopsis of the financial status of the exposition and drew a picture of the future strong with assurance of success. Mr. Gage refused to accept any salary for his work as president. Theodore Thomas has been appointed musical director of the exposition.

Capt. O'Shea's Libel Suit.

DUBLIN, Pa., March 28.—It is announced that Capt. O'Shea has brought suit against the Catholic bishop of the united dioceses of Galway and Kilmacduagh. Most Rev. Francis J. MacDonagh, D., and against Rev. John Mahoney, of the Catholic diocese of Cork. Captain O'Shea sues the two reverend gentlemen for alleged libels in regard to his relations with Mr. Parnell, which have been attributed to the bishop of Galway and to Canon O'Mahoney in the public prints.

To Corner California's Brandy.

SAN FRANCISCO, March 28.—The Chronicle says an attempt is being made by a syndicate of local jobbers to control the brandy market. Agents of the syndicate have been journeying throughout the wine districts and buying up all the brandy in sight. In bonded warehouses in the state there are now stored fully 1,000,000 gallons of brandy made since 1880.

A Foolish Lover's Deed.

BOSTON, March 28.—Robert Cunningham, colored, shot his sweetheart, Elizabeth Castin, a 19-year-old white girl, Thursday, and then fired three shots into his own head, following this by cutting his throat with a cut-throat knife. Cunningham will die but the girl will recover. He will give no reason for the crime.

MURDERED A MINISTER.

Political Assassins Shoot Down M. Baltchiff at Sofia.

SOFIA, March 28.—At 8 o'clock Friday evening while Premier Stambouloff and M. Baltchiff, minister of finance, who had been walking together, were about to enter their official residences, which adjoin each other, a man suddenly confronted them with a revolver and fired three shots point blank at M. Baltchiff, who fell dead. A crowd immediately collected at the scene of the shooting, but the assassin succeeded in making good his escape owing to the darkness and confusion that prevailed among the people. A number of persons who had witnessed the murder report that the assassin had three accomplices who assisted him to escape. The shooting of Minister Baltchiff has caused the greatest excitement here, and the city is being scouring for all those connected with the terrible deed. No motive has been suggested for the murder of the minister of finance, but it is presumed that the conspirators may have intended to take the life of Premier Stambouloff, but that in the darkness of the evening they mistook M. Baltchiff for the man they had marked as their victim.

LOUISVILLE'S CYCLONE.

Its Anniversary Observed by Appropriate Meetings.

LOUISVILLE, Ky., March 28.—Friday was the anniversary of the great cyclone in this city a year ago. Three large meetings were held in commemoration of the event. The principal one was at the Warren Memorial church, and Gov. Buckner presided. Short speeches appropriate to the occasion were made by leading citizens. At the close it was proposed that the children's hospital, which has been talked of for some time, and for which \$15,000 had been subscribed, should be made a memorial charity and the fund necessary for its erection should be completed at the meeting. Subscriptions were called for, and in a short time over \$15,000 additional had been pledged. The amount is sufficient to secure the immediate erection of the hospital. In an enumeration of the damages by the storm it was shown that in Louisville five churches, a railroad depot, two public schools, 360 stores, thirty-two factories, ten tobacco warehouses and 532 residences were wrecked. The money value of these was given by Dunn's agency was \$2,150,000. Seventy-six lives were lost.

SHOT TWO ACTRESSES.

Jealousy Causes a Double Murder and Suicide at Spokane Falls, Wash.

SPOKANE FALLS, Wash., March 28.—A double murder and suicide occurred early Friday morning at the Casino variety theater. Charles Elliott, a faro dealer, who was occupying a box near the stage, drew a pistol and fired several shots at the people on the stage. One bullet took effect in the left breast of Mabel Dabagian, killing her almost instantly. Another bullet lodged in the back of Carrie Smith, also a variety actress, inflicting a fatal wound. Elliott then placed the muzzle of his revolver in his mouth and blew his own brains out. His shot was intended for an actress named Lulu Durand, who was on the stage at the time, and of whom Elliott was insanely jealous.

The Mother of Brave Warriors.

ST. JOSEPH, Mo., March 28.—Mrs. Mary B. Cushing, widow of the late Milton Buckingham Cushing, died here Thursday aged 84 years. She was the mother of Milton B. Alonzo Cushing, killed at the battle of Gettysburg, and of Commander W. B. Cushing, of Albemarle fame. The body will be sent to Fredonia, N. Y., for interment.

WAR IS ANTICIPATED

Russia and England at Swords Points.

OMINOUS CLOUDS ARE LOOMING UP.

It Looks Like Russia Is Preparing to Begin Hostilities Soon—England to Aid Belgium in Defending Its Neutrality.

TROUBLE AHEAD.

LONDON, March 28.—Lord Salisbury, just before starting for San Remo, held a long conference with Lord Knutsford and Mr. Currie, the permanent secretary of the foreign office. A work of supreme difficulty requiring the most delicate handling was confided to Mr. Currie relating to engagements of England to protect Belgium. King Leopold during his recent visit pressed for an answer as to what practical co-operation England would give under the existing treaty for the defense of Belgian neutrality in the event of war. Lord Salisbury, according to a report credited in the foreign office, promised English aid by fleets and contingent troops if demanded to defend Antwerp, leaving the Belgian army free for defensive operations in the forts of the Meuse.

Something occurring behind the scenes of European diplomacy sharpens apprehension that the final move in the long game precluding war will not be long delayed. Apart from the removal of the concentration of troops on the Russian-Austrian frontiers and the czar's demonstrated friendship for President Carnot, it is reported that an agreement has been reached between the French and Russian governments in regard to the simultaneous mobilization of troops and other movements in the event of war. The heads of the European powers seem to be informed of a Russian scheme of attack, which is likely to declare itself in the autumn. The question of Belgian neutrality is ultimately associated with England's attitude in such a conflict, and it will be Lord Salisbury's justification if the agreement with King Leopold comes up to parliament. The presence of Lord Knutsford at the conference with Lord Salisbury was probably due to the relations of Newfoundland with other disputes with France.

Questions of which notice has already been given in the house of commons to be answered after the Easter recess demand that the government explain why or not the fisheries trouble has become a mere pawn on the diplomatic chess-board, on which the English occupation of Egypt is king.

Sir Charles Dilke, in an article written for the papers, discloses a source of uneasiness prevailing among the militarists. "It," he says, "the strange foreign arbitrators picked up in the Russian foreign office and elsewhere should for political reasons declare against us, then the modus vivendi under the Knutsford bill becoming an act will have to be forced on the colonialists by deeds of civil war. If Newfoundland was an American province would sell her rights in five minutes to the United States. She only refuses to sell them to England because she is irritated about Egypt."

Sir Charles Dilke is right. The inner official circle distrusts arbitrations. They fear the results of the proposed arbitration and know that the fate of Newfoundland is interlarded with the government Egyptian policy.

"BABY BUNTING" DEAD.

Charles Arbuckle, the Millionaire Coffee Dealer, Falls a Victim to Pneumonia.

NEW YORK, March 28.—Charles Arbuckle, the senior member of a well-known coffee firm of Brooklyn, died at 7 o'clock Friday night of pneumonia. He was born in Allegheny City, Pa., 18 years ago and began life as a grocer. He established the present business in 1877, the largest of the kind in the country. He was a millionaire. Mr. Arbuckle gained considerable notoriety in a breach of promise suit in which Miss Clara Campbell, of Ironton, O., recovered a verdict of \$45,000. Letters of love were produced from which Mr. Arbuckle received the sobriquet of "Baby Bunting," for he was so addressed in the letters. Miss Campbell was called "Bunnie" in these letters. The remains of the dead millionaire will be taken to Allegheny City, Pa., for cremation.

Married Forty-Three Men.

PARIS, March 28.—A handsome Englishman named Evaline Neal has been arrested in this city for marriage frauds. She inveigled forty-three men to marry her by advertising herself as a wealthy widow. Her last victim was a viscount who almost ruined himself by gambling.

Savannah, Ga., March 28.

Savannah, Ga., March 28.—A. Falk & Son, retail clothiers, are financially embarrassed. The National bank of Savannah foreclosed a mortgage for \$16,000 and took possession of the stock. The liabilities are \$35,000 and assets \$50,000 or \$60,000.

Damages for a Death.

BURLINGTON, Ia., March 28.—Mrs. Jennie Montgomery, of this city, has brought suit against the Chicago, Burlington & Quincy Railway Company for \$10,000 damages for the death of her husband, John Montgomery, who was killed last spring.

Twenty-Five Years for Murder.

CHICAGO, Ill., March 28.—John Brennan, who killed Minnie Martleson, his mistress, last December, and whose trial has been in progress for two days, was found guilty, and the penalty, fixed at twenty-five years in the penitentiary.

Cassey's Murderers.

WASHINGTON, March 28.—The secretary of war has instructed Gen. Miles to turn over to the civil authorities at Sioux Falls, S. D., the parties connected with the killing of Lieut. Cassey, which occurred some weeks ago.

Rev. H. H. Fairall, D. D., editor of the Iowa Methodist, says editorially, "We have tested the merits of Ely's Cream Balm and believe that by a thorough course of treatment, it will cure almost every case of catarrh. Ministers, as a class, are afflicted with head and throat trouble, and catarrh seems more prevalent than ever. We cannot recommend Ely's Cream Balm too highly."

I used Ely's Cream Balm for dry catarrh. It proved a cure.—B. F. M. Week, Denver.

WINANS ANGRY.

The Rock County Assemblyman To Fight Chairman Wall's Gerrymander.

He Does Not Like the New Democratic Congressional Apportionment.

He Will Submit a Minority Report on the Question Next Tuesday.

War to the Knife Between the Janesville Assemblyman and Machine Rulers.

One of the most interesting fights on record will begin bright and early Tuesday morning in the legislature.

On Tuesday Dr. Anderson's plan of congressional apportionment will be presented.

So will the plan of Mr. Winans. Mr. Winans feels that it is not the fair thing to allow Rock county away in a red hot republican district.

He told the apportionment committee this, and gave warning that if their plan was to pass unchallenged the northern towns of Rock county, including the city of Janesville, must be taken from the first district and joined to Dane, Dodge, Columbia and Jefferson counties. This warning was disregarded. Hence Mr. Winans means fight.

"My plan was adopted by the committee at two different times," he said to a reporter for The Gazette this afternoon, "and each time influence was brought to bear that secured a reconsideration."

"Will your plan have republican backing?"

"I can't tell definitely, although the republican members of the committee voted for it."

"And in case they refuse to assist?"

"Oh, if it appears that the substitute plan lacks support, I shall make no effort to push it through. Of course there is nothing to be gained by a hopeless fight."

But it is evident from words dropped by Mr. Winans' friends that the fight is not considered hopeless by large odds.

Mr. Winans submitted his report to the apportionment committee last night. It received the support of all the republicans and two democrats besides Winans on the committee. Some of the republican members were absent or else the machine apportionment would have been knocked out. Mr. Winans' apportionment scheme is as follows:

First District—Western towns of Milwaukee county, Waukesha, Walworth, Racine, Kenosha.

Second District—Rock, Dane, Jefferson, and Dodge.

Third District—Green, Lafayette, Grant, Iowa, Crawford, Vernon, Richland and Sauk.

Fourth District—Milwaukee City and towns.

Fifth District—Ozaukee, Washington, Sheboygan, Fond du Lac, Green Lake, Marquette and Columbia.

Sixth District—Manitowish, Calumet, Winnebago, Waubesa and Portage.

Seventh District—Adams, Juneau, Monroe, La Crosse, Jackson, Trempealeau, Buffalo, Pierce and Eau Claire.

Eighth District—Door, Kewaunee, Brown, Outagamie, Waupaca, Shawano, Oconto, Marinette and Florence.

Ninth District—Ashland, Oneida, Forest, Price, Taylor, Clark, Lincoln, Langlade, Marathon and Wood.

Tenth District—Pierce, St. Croix, Dunn, Chippewa, Barron, Polk, Burnett, Washburn, Sawyer, Bayfield and Douglas.

The legislative gerrymander which will be presented on Tuesday is understood to throw the largest portion of the republican vote into "solid over" senatorial districts, thus insuring a democratic senate two years from now at whatever cost in the long run.

The assembly districts tend in the same direction. Democrats are bent on getting another United States senator and, to do this are willing to lose the legislature four years hence.

IS MR. SAWIN ORTHODOX?

Charges to be Made Against a Well Known Pastor.

TROY MINISTERS IN ARMS.

They Declare That the Former Janesville Divine is Much Too Liberal for Agreement With the Presbyterian Confession of Faith—Trial in April.

There will be a sensation among Janesville church goers at the news from Troy, New York. The former pastor of the First Congregational church, Rev. T. P. Sawin, is to be cited for alleged failure in orthodoxy.

While Mr. Sawin was pastor of the First Congregational church in this city, he was considered one of the most liberal of the city pastors. His sermons were of a strongly scientific order and proved very popular, notwithstanding that some of the more conservative of his flock declared his discourses lacking in evangelical spirit.

VERY POPULAR IN MALDEN.

Mr. Sawin left Janesville in 1882 to accept the pastorate of a Congregational church in Malden, Mass. Here he won the approval of his congregation so thoroughly that he was given a vacation for the purpose of visiting Europe, and his expenses were paid as well as his salary during his absence. In 1885 he withdrew from the Congregational church at Malden and accepted the pastorate of the First Presbyterian church at East Troy.

According to Troy papers the views expressed by Rev. Mr. Sawin from his pulpit in the First Presbyterian church have been the subject of comment among other clergymen of that denomination for some time. The Troy Press of March 25 says:

CHARGES TO BE PRESENTED.

"Yesterday it was stated on good authority that charges were to be preferred against Rev. Mr. Sawin at the next meeting of the Troy presbytery, which will be held at Sandy Hill the first Monday in April. It was further stated that Rev. William Reed, of the Memorial Presbyterian church, who recently preached a sermon criticizing Rev. Mr. Sawin, and in which he claimed that the latter's views bordered on atheism, would be the promulgator of the charges.

The arraignment of clergymen on similar charges has been of frequent occurrence lately among orthodox churches, and would seem to indicate a character of thought and expression from the pulpit which a few years ago would have been denounced as heresy.

Rev. Mr. Sawin's congregation, however, sits under his preaching without any discomfort or qualms of conscience, and he is considered one of the brightest and most logical and argumentative of Troy's preachers.

WHO THE ACCUSER IS.

"Rev. William Reed, who it is said was the instigator of the proceedings against Rev. Mr. Sawin, was interviewed by a representative of this paper yesterday. He was extremely reticent in regard to the matter and said he did not care to talk about it. Rev. Mr. Sawin, he said, was a bright man and a thinker, but after having signed the Presbyterian confession of faith he had no moral right to preach orthodox views, which Mr. Reed said he had been doing. When asked if charges had been preferred against Rev. Mr. Sawin, he replied in the negative, but admitted that they probably would be at the next meeting of the presbytery. He would not say whether or not the charges emanated from him, but regretted the necessity of making them.

TOO ILL TO TALK.

"A reporter who called at the residence of Rev. Mr. Sawin yesterday was informed by the attendant who came to the door that he was ill and confined to his bed. A physician's carriage stood in front of the door. A request to Rev. Mr. Sawin that a newspaper representative wished to see him on a matter of importance received a reply to the effect that he did not feel able to talk. The alleged charges are the subject of considerable comment among not only the Presbyterian clergy of the city, but the laity and also among adherents of other denominations."

HOURS OF PLEASURE.

Ada Ray's Spectacular Burlesque Company held the boards at the Myers' last night. About all they did was hold the boards, too; because the performance was one of the worst of the season. Eight young ladies dressed in as little clothing as was convenient, marched and sang before a top-heavy audience, in which ladies were conspicuous for their absence. The songs and jokes were old, although the costumes were elegant.

Two acrobats, Harry Toner and William Froebel did their parts well. They formerly traveled with Forepaugh's circus. To-night they will charm a Beloit audience.

THE MAY BETROTHEN COMPANY played "Bluff and Lawyer" at Lippin's opera house last evening. To-night the bill is "The Noble Stranger."

THE NEXT ATTRACTION at the Myers Opera House will be "Money Mad" which will be presented two nights, April 6 and 7.

WILL TALK OF COLOR.

America's Discoverer to be Discussed by The History Club.

Columbus and his discoveries will be discussed by the History Club at its next meeting Monday evening. H. J. Cunningham will be leader and the following papers will be read:

TALES OF THE TOWN.

Asked Ed. Griswold to Swear.

Racine physicians are at war as a result of the Northwestern wreck. Dr. Hoy is the regular surgeon of the road, but he could not be found the night of the accident. Dr. Garlock and others were called in, and after they had gone to the hospital Dr. Hoy put in an appearance and announced that he would take charge of the case. Bitter feeling has been engendered consequently. Ed. Griswold has published an affidavit in the Racine Journal, telling how it all happened.

It Scooped Them All.

The Gazette has received many compliments upon its early and complete report of the re-apportionment of the congressional districts.
